Bourbon Whiskey (Red Label)

---

Mayor Pingree 'Red Label' Straight Bourbon is a small batch blend of our choicest four & five year-old casks distilled & aged in Ferndale, MI. Presented at 94 proof and non-chill filtered, the Red Label offers one of the highest-end Straight bourbons produced by a craft distillery in the U.S., boasting an inviting aroma, well-rounded body and sweet, smooth flavor profile designed for the general bourbon fans enjoyment.

## The Process

Mayor Pingree Bourbon Whiskey is triple pot distilled, a truly rare method of American whiskey production. Distilling the whiskey 3 times gives Head Distiller Justin Aden the opportunity to coax dramatic flavors created during fermentation which creates esters that will ultimately produce intense fruity notes with texture and mouth feel.

Notes:

Non-chill filtered

94 proof

Aged Minimum 5 years in 53 gallon casks

4 separate mash bills give Head Distiller Justin Aden the diversity of profiles to create the final blend
